

# Tūranga Mahi / Position Description: *Pūkenga Whakaae Whare / Building Consent Assessor*

---

At Rotorua Lakes Council, we are driven by the **purpose** for our existence, - by our 'why'. Our 'why' is our customers. We come to work each day to deliver services for our customers, and we keep them at the centre of our organisation's culture. We are committed to building a high performing culture based on our **purpose**.

'How' we work together is defined by our organisational culture and values. What each person does differs from role to role and will change based on the work programme approved by our Elected Council. The tasks that we do in each role are not a purpose in themselves, their purpose is to serve our customers.

To be successful in the role, and to enjoy your employment at RLC by achieving significant results for the community, you will need to take to heart and live the sentiment "The organisation's success is my success – my job is only done when everyone's job is done".

Rotorua Lakes Council is one of the largest employers in Rotorua, building a positive future for our district with approximately 78,000 residents, and visitors numbering in the millions. We are determined to be among the best councils in New Zealand and are committed to continually improve the service provided to our customers, both external and internal.

Rotorua is in the heart of the Te Arawa region. 40% of the population are Māori. Being a bicultural city provides a foundation for us to recognise and celebrate our increasing diversity which enriches us as individuals and as a multi-cultural community. Employment at RLC is a unique opportunity to develop your understanding and appreciation of Te Ao Maori, in order to better serve our whole community. As a senior leader in the organisation, you have a key responsibility to lead our people in adhering to our legislative responsibilities to mana whenua.

A top priority is to ensure the health and safety of our people at work. We want you to go home healthy and safe each day. Safety is everyone's job – all of our staff have a shared responsibility to manage our work environments to prevent harm, and to actively engage with health and safety initiatives and procedures. Managers are responsible for the health and safety of the areas and people under their leadership.

Rotorua Lakes Council has statutory responsibility for Civil Defence and Emergency Management (CDEM) within the district. This responsibility extends to all staff, who may be called upon to undertake CDEM roles in addition to their position specific responsibilities.

We are one team. To be successful, it is important that all staff are aligned to and actively support the organisation's direction, working collaboratively, and actively participating in activities and initiatives to advance the organisation.

The position description below describes the specific requirements of this position. The description within this position description is not an exhaustive list of responsibilities or tasks and staff are expected to contribute to the organisation through other tasks and activities assigned by their manager. In addition, you are also expected to be proactive in knowing and following Council policies and procedures.
