The specific parts of the application that my submission relates to are:
 - Site Management and security / Social impact / Lack of Exit Strategy
 Waste & MHUD Taxpayer Money for applications of 440 deposit each Motel and
 [Give Details] Costs of the consultants and the hearing

My submission is: I oppose the extension of the Motels for contracted emergency housing. Due to increased pressure on our police, health & Education resources and infrastructure there have been no exit plans proposed as per the conditions following the original hearings. As a teacher for 20 yrs but Coral High School I have seen the negative social effect
 (include - or students from those Motels who go to school
 whether you support or oppose the specific parts of the application or wish to have them amended; and
 the reasons for your views)

I seek the following decision from the consent authority: That the extension be declined and that the designation of these Motels be returned to their original purpose.

[Give precise details, including the general nature of any conditions sought]

- I wish / do not wish to be heard in support of my submission.
- * If others make a similar submission, I will consider presenting a joint case with them at a hearing.
 - * [Delete if you would not consider presenting a joint case]
