Subject: Opposal of the concent application LU24-010189, 299 Fenton Street, Glenholme , Rotorua

Hi ,

I wish to oppose this application for a new emergency housing project in Rotorua. As a concern resident of Glenholme , Rotorua I can only see more crime evaluating from this decision. Please consider the amount of emergency housing already in Rotorua and the ongoing problem it has to us already.

It is a definite NO

Concerned Resident
