The application in its entirety

My submission is [include whether you **support or oppose** the specific parts of the application or wish to have them amended; and the reasons for your views]:

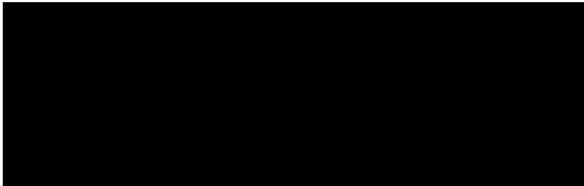

I oppose the application as the whole reason I chose to live in a rural area is to escape the complexities of town and the range of people. This is a rural zone where we look out for each other as we cannot rely on police at all. It takes way too long for them to get here if they respond at all. As I am the head of the house in the area this would increase my anxiety.

I seek the following decision from the consent authority [Give precise details, including the general nature of any conditions sought]:

To decline the application

We are a rural zoned area which means we have to comply with rural regulations and limitations. This does not fit in with any of that at all. A facility like this needs to be closer to amenities and police if there are any problems.
