The full application

My submission is *[include whether you **support or oppose** the specific parts of the application or wish to have them amended; and the reasons for your views]*:

I oppose this application for the following reasons:

I have spent a considerable amount of time in Waikite Valley, a close-knit rural community. I believe it is not a suitable location for a reintegration facility due to its location. This activity does not fit within the rural zoning of the area and its designated use for farming. Waikite Valley is part of the Rural Zone 1a within the district plan. If the reintegration facility is approved it will set a precedent for further intensified sites within the area. There will also be increased traffic to the site, which will have an impact

I seek the following decision from the consent authority *[Give precise details, including the general nature of any conditions sought]*:

To decline the application

- ☒ I wish to be heard in support of my submission
- ☐ I do not wish to be heard in support of my submission
- ☒ If others make a similar submission, I will consider presenting a joint case with them at a hearing
