Please see attached sheet

I seek the following decision from the consent authority *[Give precise details, including the general nature of any conditions sought]*:

To decline the application

I oppose the application for the following reasons:

This is not consistent with rural activities.

We live in a farming community and intensified housing for legally restrictive people is not a normal activity for this community.

My concerns are that it goes against the district plan and damages the character of our community.

It is also a significant safety risk, not only to my two children who we live with in close proximity to the site but also to myself and my husband as we are employed on a number of neighboring properties and often work alone.

Security for both our property and ourselves is a large concern.

It is also unlikely our children will remain having the same freedom to explore as they are currently provided.

More traffic on the roads, strangers visiting who are not part of our community and security within the facility and around its participants is a huge concern.
