This is a submission on an application from *[name of applicant]*:

Tikanga Aroro Charitable Trust

**Rotorua Lakes Council

for a Resource Consent to *[Briefly describe the type of consent, proposed activity, and location of the resource consent]*:

To establish and operate a reintegration houseing activity in the rural zone of Puaiti Road, Waikite Valley

at *[The location of the resource consent]*:

473 Puaiti Road

The specific parts of the application that my submission relates to are *[Give Details]*:

The application in its entirety.

My submission is *[include whether you support or oppose the specific parts of the application or wish to have them amended; and the reasons for your views]*:

I oppose the application for a number of reasons. It is not suited to a rural 1a zone, it is such an isolated area so far from emergency services. The increase in traffic predicted might not seem much in town, but for our peaceful community it is significant. I see the attempts to disguise the facility with heavy landscaping, but this in itself is out of place in such a rural part of the valley in between farmland, and will only make the facility stand out. We need to protect rural farming areas, and only allow activities that compliment farmers' abilities to do their jobs. This would do the complete opposite.

I seek the following decision from the consent authority *[Give precise details, including the general nature of any conditions sought]*:

To decline the application

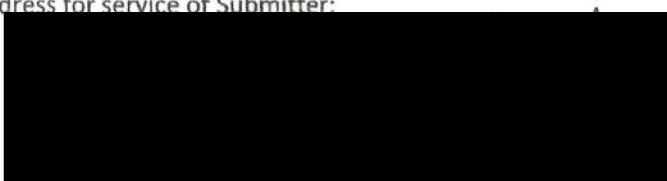

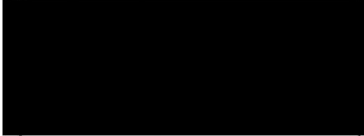

I wish to be heard in support of my submission

I do not wish to be heard in support of my submission

If others make a similar submission, I will consider presenting a joint case with them at a hearing
