I oppose this application for the following reasons

Waikite Valley is the wrong location for this program as this is a rural ~~some~~ zone and emergency services are far away for this proposed facility as this is one reason why the community won't feel safe.

This area is farming and rural lifestyle area in its terms of characteristics

We have minimal phone coverage in Waikite Valley and areas with none so there are one of the reasons why we have a concern for safety

The increase in traffic is another concern and with tractors, stock, kids and normal rural traffic, this increases the risk with people who are not aware of the district traffic.

Waikite Valley is the wrong location for the proposed facility, we have Daycare and a school, also with young kids that walk around the school and road is an extra danger with the increased traffic. Why if it's Maori based protocol and ~~and~~ this program was at by the airport and Maori land there, they did not want him there as well.

My family and I moved here from town to live a Quarter lifestyle and where we have less traffic worries, with this proposed facility it changes the Dynamics of lifestyle, rural outlook and community.

as with other places who have prisons and other like ~~pr~~ Facilities it has increased traffic, cars and speed, also with a Drug and alcohol and people who don't respect the area who will break the law and also the proposed Facility's own rules in the name of ~~profit~~ <sup>profit</sup> and to keep their family in there in what they are ~~are~~ accustomed to if they were out.
