To establish and operate a reintegration houseing activity in the rural zone of Puaiti Road, Waikite Valley

473 Puaiti Road

The application in its entirety.

I oppose this application because the site is within close vicinity of where I go hunting regularly. I have concerns about the safety of my vehicle when it is left unattended and the increased potential for theft or damage. Additionally, the local farmers I have spoken to are understandably very concerned about the increased risk of poaching/trespassing. Given the added number of people predicted to be in the area when living at or visiting the site, road safety is also a major concern. Given that there are many narrow, winding, and gravel roads used by heavy machinery (tractors etc) near the site, unfamiliar road users
