ABOUT LIMS

A Land Information Memoranda (LIM) is a report that is prepared by a Territorial Authority (in this case the Rotorua Lakes Council) in relation to matters affecting land and buildings on a particular property:

LIM information includes:

- Any special feature of the land including potential erosion, falling debris, sinking, slipping, silting or build-up of land, flooding, or likely hazardous pollutants known to the Council.
- Private and public drains and easements known to Council.
- Rateable valuation of the property and rates struck and owing for the current year. (NOTE: This will also include water rates where applicable).
- Council consents, certificates, notices, orders and requisitions affecting the land and any buildings on that land.
- Zoning of the property and a copy of the Planning Map relating to that Zone, advising how the land can be used.
- Certificates issued by a building certifier.
- Any information that has been submitted to Council by other outside statutory organisations or network utility operators relating to the site or general locality.
- Any outstanding development contributions.

Note: A Land Information memorandum does not include any site inspections.

How long does it take to process a LIM?

The Rotorua Lakes Council has ten (10) working days from date of receipt to action and complete a LIM.

Please note, Rotorua Lakes Council shall not commence action on a LIM if:

- Incorrect payment or non payment is received.
- Incorrect or insufficient information is received.

Council will advise you of this, and your LIM will not proceed until such time as all information requested has been received.

To apply:

- Accurately complete application form (overleaf).
- Send / deliver completed form and fee to the council.
- Fax service accepted provided fee follows in mail with original form.

DISCLAIMER

A Land Information Memorandum report relates to the legal description that is supplied to Council.

Rotorua Lakes Council accepts no responsibility whatsoever if the legal description which is provided is incorrect.
