

Tūranga Mahi / Position Description:

Summer Project Assistant - Waste & Climate Change

At Rotorua Lakes Council, we are guided by Tai Kawenga, which reflects both our purpose and the values that shape how we work together.

Tai means tide or current. Kawenga refers to the values we carry within us and the principles that carry us forward in our daily work. Together, Tai Kawenga provides the foundation for our culture, decision-making, and service to our community.

Our purpose speaks to why we exist and is expressed through three ideas that reflect our vision:

Customer Focused - Community Driven - People at the Heart

How we work together is guided by our **Purpose**, why we exist, our **Promise**, what we commit to delivering every day; our **Practices**, how we behave; and our **Principles**, the values we believe in and stand by:

Stronger Together - Lead with Integrity - Challenge and Innovate - Steward our Future

These principles set the expectations for how we work with colleagues, customers, iwi, stakeholders, and the wider community.

To be successful in this role, you will embrace the belief that:

"The organisation's success is my success. My job is only done when everyone's job is done."

Rotorua Lakes Council serves approximately 78,000 residents and millions of visitors each year. We are committed to continuously improving services for our community and customers.

Rotorua sits in the heart of the Te Arawa region, where approximately 40% of the population identify as Māori. Our bicultural foundation strengthens our understanding of Te Ao Māori and enriches our diverse community. We are committed to honouring our responsibilities to mana whenua and reflecting these relationships in how we work and serve our district.

Health, safety, and wellbeing are a top priority. Safety is everyone's responsibility, and we all play a role in creating environments where people can thrive and return home safely each day.

Rotorua Lakes Council has statutory responsibility for Civil Defence and Emergency Management (CDEM). As a result, all employees may be required to undertake CDEM duties in addition to their normal position responsibilities when responding to, or recovering from, an emergency event.

As one team, we are committed to supporting Council's strategic direction, working collaboratively, embracing innovation, and making decisions that contribute to a sustainable future for our district.

Through Tai Kawenga, we recognise that every role contributes to the outcomes we achieve for our community.
